- PCP:
  - High: 1% (April-June 2022)
  - Low: 0% (Oct-Dec 2018)

Note: *Ns vary slightly because not all specimens were tested for all drugs each period.
Methadone and Tricyclic Antidepressants not shown because of low testing rates.
*Percentage occurred in multiple quarters, most recent quarter indicated.
If high or low occurred in more than one quarter, the most recent quarter was specified.
